The Principal

Saranathan College of Engineering,
Trichy

Respected Sir,

Subject: Requesting permission to conduct a workshop in our Department.

Greetings Sir. I am writing to seek your permission to conduct a workshop on **Generative AI with Google Cloud** at Saranathan College of Engineering on 21st March 2024, starting at 10 am.

Purpose of the Workshop:

The workshop aims to introduce students to the exciting field of Generative AI using Google Cloud. As part of the session, students will be provided with **free Google Cloud Credits** to explore the platform without the need for any credit or debit card information, making it accessible to all participants. It's worth noting that the Code Vipassana Community, the organizing body, is officially recognized and backed by Google Cloud by **Bhaarat Krishnan J, Code Vipassana Community Lead, Google Developer Club Students lead, Student in Easwari Engineering College, Devfest '23 Speaker.**

Workshop Details:

Date and Time: 21st March 2024, 10 am onwards

Venue: Saranathan College of Engineering

Expected Number of Participants: 100

Resources Required: Stable internet facility

Additional Information:

During the session, students will have the opportunity to delve into various Cloud concepts and learn how to build solutions using Cloud and AI technologies. The initiative aligns with our commitment to providing valuable and practical knowledge to the students, fostering their understanding of cutting-edge technologies.

In order to facilitate seamless participation, we kindly request your support in ensuring a stable internet facility for the duration of the workshop.

Moreover, the workshop offers a unique chance for the students to gain hands-on experience in a cloud computing environment without the usual prerequisites of credit or debit card information, thanks to our **collaboration with Google Cloud**.

Your permission for this workshop will undoubtedly contribute to the enrichment of our students' learning experience and provide them with valuable insights into the world of Generative AI and Cloud computing.

I am available at [**8637634525**] and [**nsudhanthiran2003@gmail.com**] for any further clarification or information you may require.

Thank you for considering our request. We look forward to your positive response.

Sincerely,

Sudhanthiran N,
